IMB

ENTREPRENEUR TRAINING AWARD

The IMB Entrepreneur Training Award (IMB ETA) recognises and rewards entrepreneurial ability and skills gained through experience, training and practical application during the course of studies at IMB.

About IMB

IMB is Australia's leading multidisciplinary life sciences research institute committed to improving quality of life. Our researchers pursue discoveries in medical genomics, drug discovery and biotechnology.

IMB students undertake research across:

DIVISIONS:

- Chemistry and Structural Biology
- Genomics of Development and Disease
- Cell Biology and Molecular Medicine

CENTRES:

- IMB Centre for Pain Research
- IMB Centre for Inflammation and Disease Research
- IMB Centre for Rare Diseases Research
- IMB Centre for Superbug Solutions
- UQ Centre for Cardiac & Vascular Biology

BREAKTHROUGH SCIENCE:

- Mechanobiology
- Algal Biomedicine
- Biomembrane Engineering

Institute for Molecular Bioscience

CRICOS Provider Number 00025B

For: IMB Postgraduate research students

Eligibility:

IMB Entrepreneur Training Awardees must have completed UQ's Idea Hub plus one of the following:

- the IMB Entrepreneur workshop
- the Uniquet's UQ Research Commercialisation Workshop
